**SPRI Announces Plans to Re-Canvass ANSI-SPRI RD-1-2003
Performance Standard for Retrofit Drains**

Waltham, MA, December 2008 – SPRI, the association representing sheet membrane and component suppliers to the commercial roofing industry, has announced its plan to reaffirm ANSI/SPRI RD-1-2003 Performance Standard for Retrofit Drains.

This standard which was approved in 2003 is intended as reference on retrofit roof drains which are designed for installation in existing drain plumbing on existing roofs. As required by the American Standards Institute policy, all National Standards must be re-evaluated every five years. Interested party may participate in the canvass by contacting SPRI.

All SPRI standards can be downloaded **free of charge** at www.spri.org.
