Minutes

The Minutes from the previous Task Force meeting were approved as presented.

Objective Statement

Warren Barber read objective statement that had been approved by the SPRI Board at the October board meeting.

*SPRI complies with antitrust laws and requires participants in its programs to comply with antitrust laws. Discussions which could affect competitive pricing decisions or other competitive factors are forbidden. There may be no discussions of pricing policies or future prices, production capacity, profit margins or other factors that may tend to influence prices. In discussing technical issues, care should be taken to avoid discussing potential or planned competitive activities. Members and participants should be familiar with the SPRI Antitrust Policy and act in conformity with it.

White Paper Discussion

The Task Force reviewed the definitions for coverboards that SPRI Members use to report coverboard shipments each month.

Matt McGreal with National Gypsum has started to draft a white paper for the Task Force Members to review and edit. Topics to be covered in the white paper include:

- Attachment;
- Value engineering;
- Wind uplift;
- Enhanced durability;
- Fire resistance;
- Insulation performance;
- Structural performance;
- and cost effectiveness.

Warren Barber will distribute the draft for all registered Task Force attendees after the meeting.

Adjournment

There being no further business, the meeting adjourned at 3:30 p.m. ET.
